Events are listed in chronological order and will remain on the site until the event date. If multiple events occur on the same date, listings are placed in the order of submission. Once your event date has passed, the event will be removed from the event listings automatically.

The NSATA does not sell membership or mailing lists. For mailing lists, please visit [www.bocatc.org](http://www.bocatc.org) or [www.nata.org](http://www.nata.org).

You may list one event for \$25 or unlimited events annually for \$100 (mark your choice below).

- I have enclosed \$25 to list a single event.
- I would like to list this event and purchase an unlimited amount of event listings annually for the organization listed below. I have enclosed \$100. (Annual listings expire one year from the first posting).
- I have already purchased an annual listing and would like to list the event below.

The NSATA membership is notified monthly of new event schedule listings. For an additional fee, you may have the membership notified immediately of your event. If your organization has purchased the annual unlimited listings, the fee is still \$25 per event for immediate notification.

- I would like the NSATA membership to be notified immediately about this event and have enclosed an additional \$25
